

Who has more information?

Police are investigating the identity of an unknown deceased man

On Friday, November 24th, 2023, there was a collision between a man and a train on the het track near Velp. The man died as a result. Research shows that a crime can be ruled out. Despite extensive research, the man's identity is still unknown. That is why the police hope that there are people who can tell us who the man is, based on the description, the clothing and the bicycle found.

Description

This The person involved is a man with a light skin tone. He is between 20 and 45 years old. He has black hair that is a little longer on top (+/- 15 cm) and a little shorter on the sides (+/- 2/3 cm). He has a mustache, pointed full beard and sideburns. He has a scar on the outside of his right forearm. His build is average and his eye color is brown. He has a lot of body hair.

Description of clothing

That day he wore a blue vest from Primark in size S, a black Puma vest in size 44/46, a black T-shirt, white Nike football socks and brown shoes from the Onitsuka Tiger brand. In addition, two black leather gloves from Hema and a watch were found on the track. However it is not certain whether these belong to the victim.

Description bicycle

The man had no personal belongings with him, but there was a bicycle near the scene of the incident that he may have used. It is a blue men's bicycle from the brand Fongers.
