Dear 10.2.e

I talked with GFA and we made a none disclosure agreement. So I cannot share this presentation. I will talk about this with my client Mark Wiebes and look for a solution. Is there another way we can help?

Met vriendelijke groeten,

Hello 10.2.e

thank you very much for the presentation you did last Monday for the 10.2.g in Driebergen. It was very interesting.

11.1

Last Monday, our chef of the 10.2.g was present too. He asked, if it is possible to get your presentation, perhaps per email or on a data stick which we can send?

This would be great!

Best regards and wishes from 10.2.g
